Seeds Stone Grey

Una materia granulosa ma compatta in cui piccole intrusioni non vengono distribuite in maniera omogenea, ma sparse come semi sul terreno in modo casuale. Otto diverse lastre si mescolano casualmente per dare vita a un pavimento dal movimento discreto e naturale.

A granular but compact material in which small intrusions are not distributed homogeneously, but scattered like seeds on the ground in a random manner. Eight different slabs are mixed randomly to create flooring with a subtle and natural movement.
