

# muretto

Una collezione che esprime il rigore di un cemento contemporaneo e minimalista attraverso le proporzioni contenute di un muretto in gres porcellanato da interno e da esterno, pratico e ingelivo. L'incisività del nero e la luminosità del bianco, la discrezione dei toni intermedi e il calore tipico del mattone faccia a vista: sei colori per dare un tocco di stile metropolitano a qualsiasi progetto architettonico e di interior design.

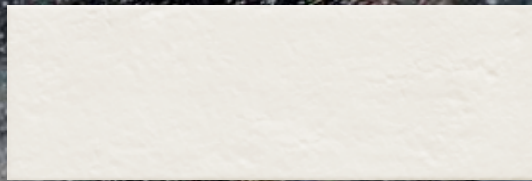

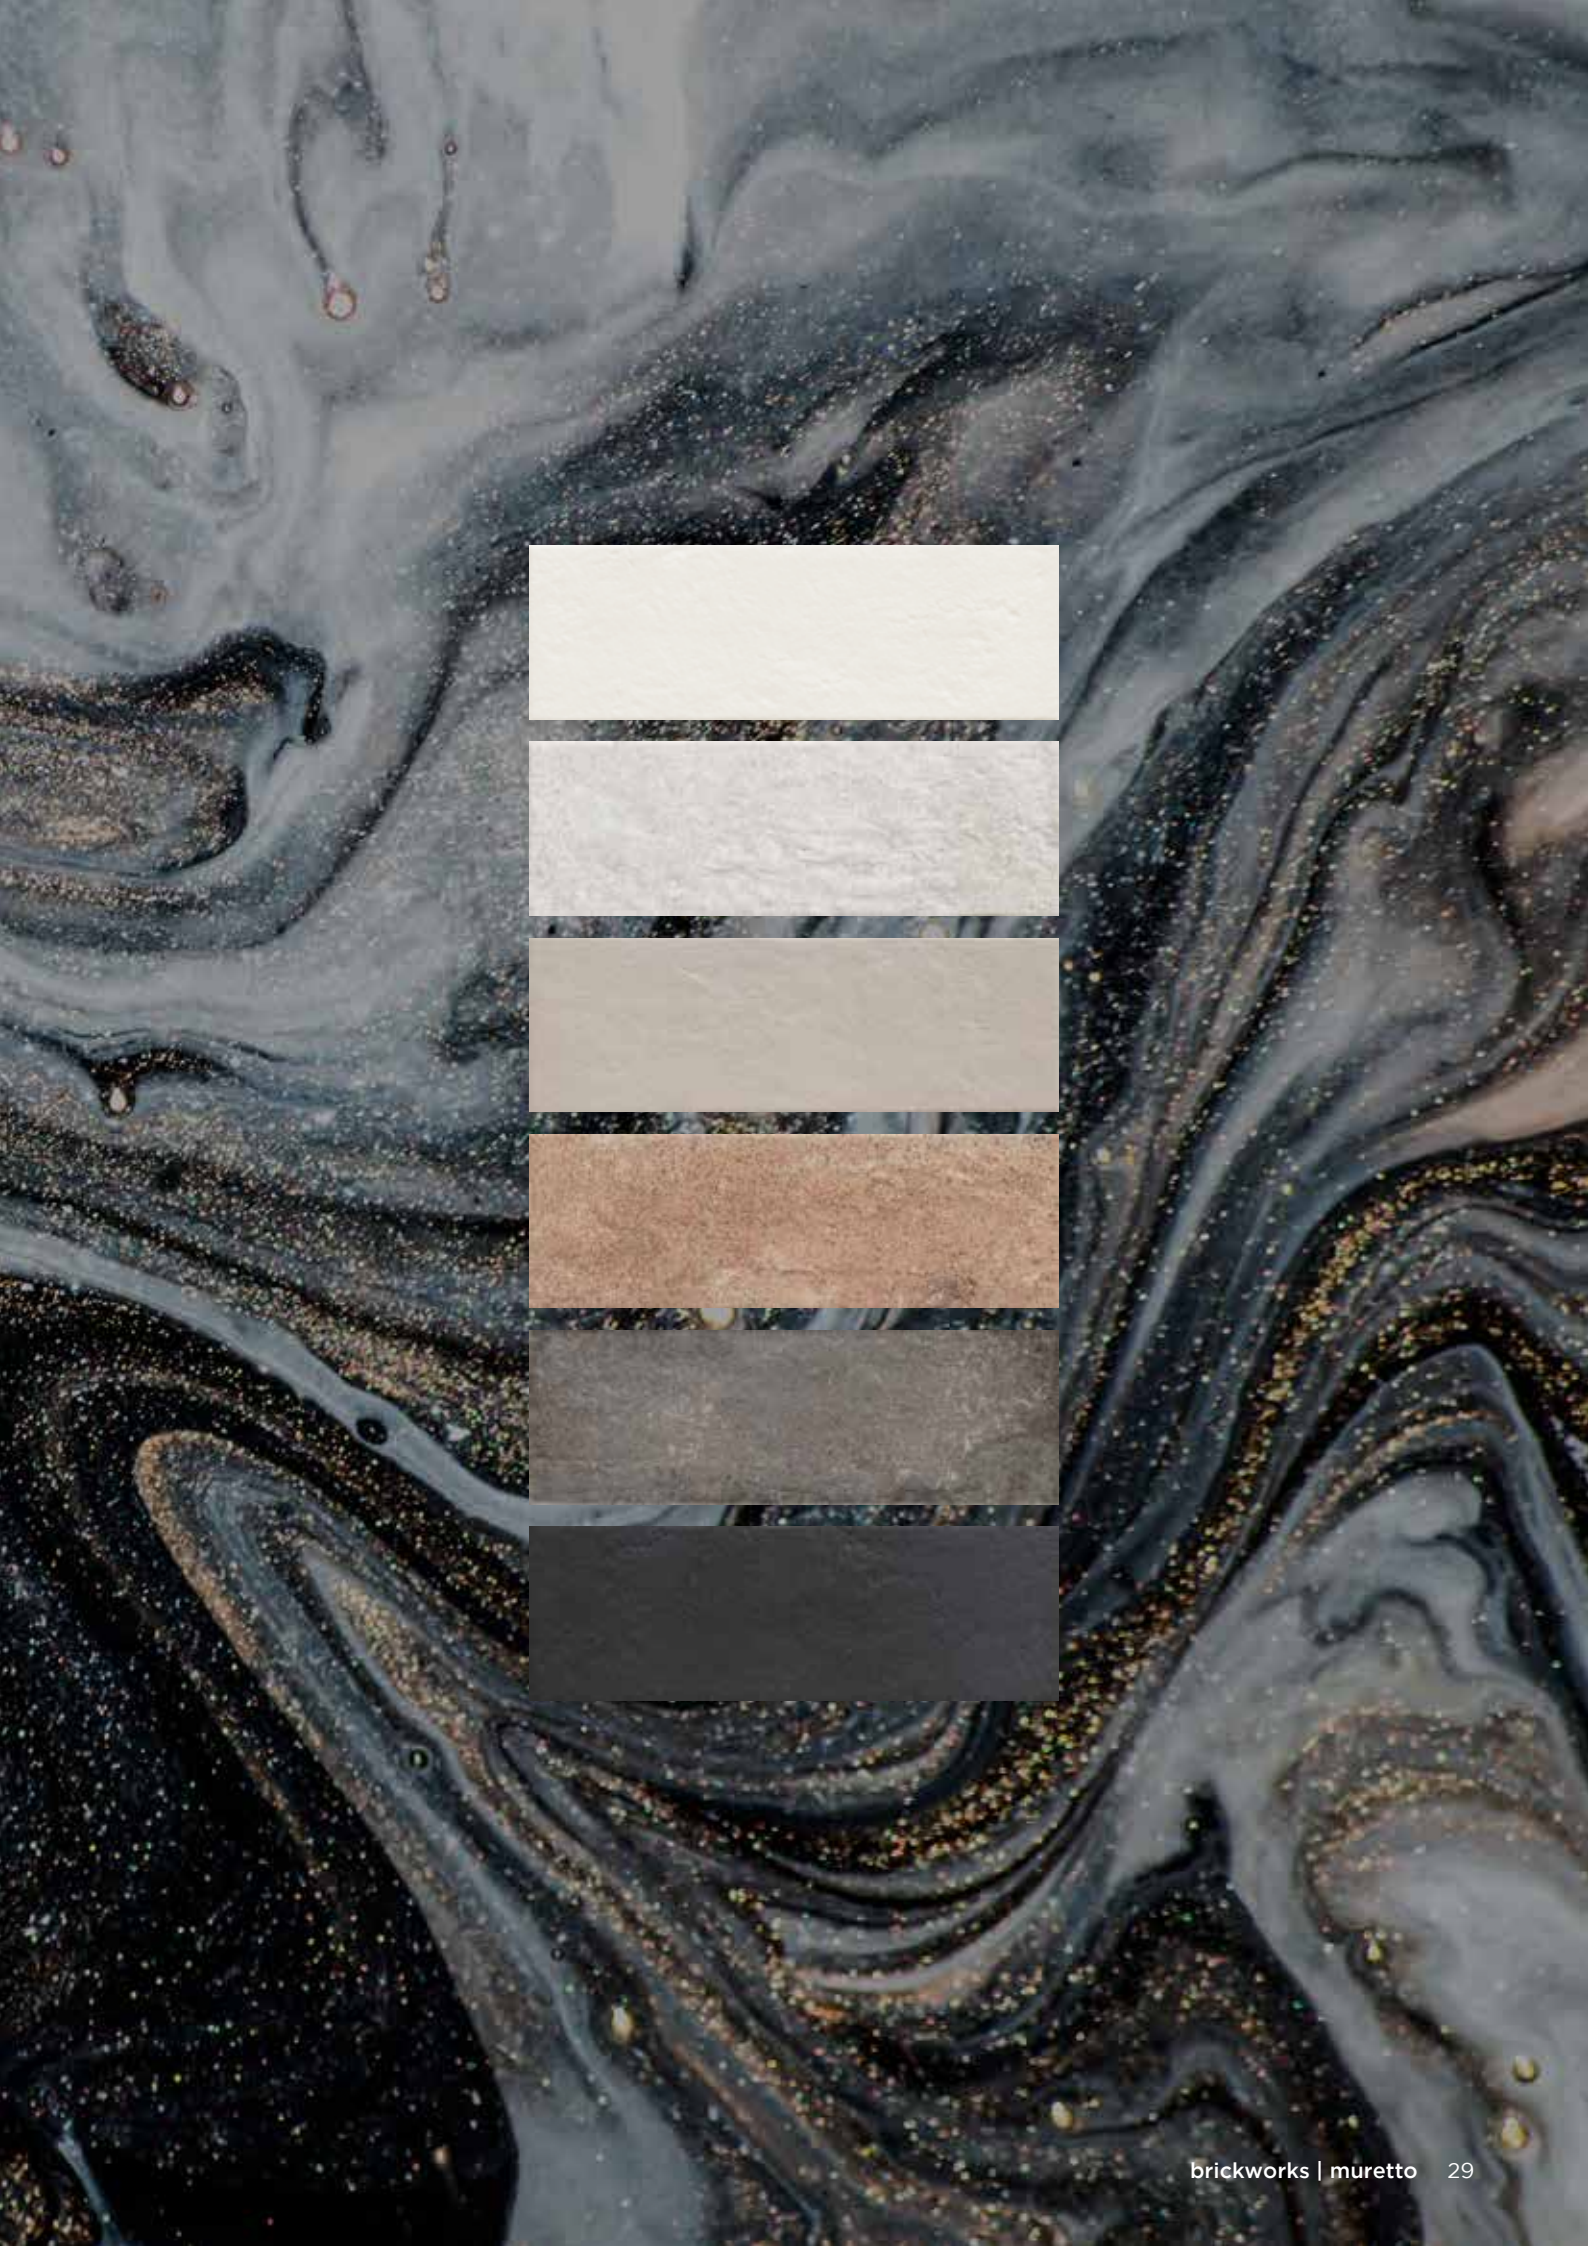

This collection embodies the minimalist rigour of concrete through the compact proportions of a practical and frost-resistant porcelain stoneware brick effect wall for indoors and out. Six colours – bold black, bright white, and discreet intermediate tones – and the warmth of a brick wall add a metropolitan touch to any architectural and interior design project.

Cette collection exprime la rigueur d'un béton contemporain et minimaliste à travers les proportions contenues d'un muret en grès cérame pratique et ingélif, destiné à l'intérieur et à l'extérieur. Le caractère incisif du noir et la luminosité du blanc, la personnalité discrète des tons intermédiaires et la chaleur typique de la brique apparente : six couleurs permettent de donner une touche métropolitaine à tout projet architectural et de design d'intérieur.

Eine Kollektion, die die Strenge zeitgenössischen und minimalistischen Betons durch die verhaltenen Proportionen von Mauern aus praktischem und frostsicherem Feinsteinzeug für den Innen- und Außenbereich verkörpert. Die Konturschärfe von Schwarz und die Leuchtkraft von Weiß, die Diskretion von Zwischentönen und die typische Wärme von Verblendziegeln: sechs Farbgebungen, die jedem Architektur- und Inneneinrichtungsprojekt einen Hauch von großstädtischem Stil verleihen.
