

GLAZED PORCELAIN

Offers many advantages:

Want a resistant floor that does not need much maintenance without renouncing to a trendy home? Our glazed porcelain tiles are made for you!

Create infinite combinations with our several designs with classic or bright colours, our “wooden” and “stone” tiles.

Their combination and your personal touch will be the reflect of a unique interior. Your floor will stay perfect over the years even though your little chip-munks, fluffy friends or clumsy mistakes make its life hard. ■

Only advantages!

In order to comply with all the aesthetical and technological exigences, glazed porcelain is:

- Hygienic, stays clean
- Resistant to acids, freezing, UV rays, shocks and erosion
- Incombustible
- Very easy to fit! ■
