

MUSEUM

# MAINSTONE

UNIQUE SURFACES

**MAINSTONE** is a porcelain tile collection inspired by more soothing versions of Breccia stone. It stands out particularly for its well-balanced shades, with a distinctive subtle pattern that lends it a modern and elegant appeal.

Comes in a Shaped, Natural, Polished or Anti-Slip finish in four particular warm colours: Cloud, Oat, Dolphin & Moon. It is available in a 260x100cm, 180x100cm, 75,5x151cm, 60x120cm, 90x90cm or 60x60cm format and also in 33,3x100cm wall tiles in a Natural finish, in addition to a 33,3x100cm chevron decor.

MAINSTONE es una colección de porcelánico, inspirada en una Breccia calmada, que se caracteriza principalmente por una estética compensada a nivel tono, y diferenciada de forma sutil por un ligero veteado, que le proporciona un carácter moderno y elegante al mismo tiempo.

Se encuentra disponible en acabado Shaped, Natural, Polished o Anti-Slip, sobre una variedad cromática con especial aporte cálido, diferenciados en cuatro tonos: Cloud, Oat, Dolphin y Moon. Se presenta en formatos 260x100cm, 180x100cm, 75,5x151cm, 60x120cm, 90x90cm, 60x60cm y, en revestimiento acabado natural, 33,3x100cm, acompañado de un decorado chevron también en dicho formato.

## STONE EFFECT

---

### MAINSTONE, part of STONE EFFECT range

Unique natural-looking surfaces with a design evocative of natural minerals or rock. Industrially manufactured, without harming our precious natural environment.

### MAINSTONE es parte de EFECTO PÉTREO

Superficies únicas de aspecto natural cuyo diseño deriva de una roca o mineral existente en la naturaleza. Obtenido industrialmente sin dañar la increíble naturaleza que nos rodea.

---

## NEW FINISH

---

### The new MUSEUM technology

**SHAPED combines digital and traditional techniques that allows us to coordinate the graphics with the relief to achieve volume on the surface and an extra soft texture that reproduces the natural stone in all its senses.**

### La nueva tecnología de MUSEUM

SHAPED combina tecnología digital y tradicional, que nos permite coordinar la gráfica con el relieve para conseguir volumen en superficie, y una textura extra suave, que reproduce la piedra natural en todos sus sentidos.

### Singularity.

**Its chevron relief texture demonstrates that volume and geometrics can be combined to trendsetting end effect.**

### Singularidad.

Su relieve chevron demuestra que una buena combinación de geometría y volumen, puede ser pura tendencia.
